

## Sponsorship Opportunities

Thank you for considering sponsorship of the first-ever Northeastern North America / Turtle Island Landscape Connectivity Summit, to be held on June 11-13, 2024 in Montreal / Tiohtià:ke, Québec, Canada.

Sponsoring the Summit — a project of the [Staying Connected Initiative](#) – will create multiple channels for increased visibility to hundreds of participants from federal, state, provincial and Indigenous governments, nonprofit, academic and for-profit sectors. Through your support and participation, your organization will be recognized as a leader and collaborator by this unique audience of participants.

Most importantly, sponsorship will position your organization as a leader in fostering increased collaboration across borders to sustain and enhance a well-connected landscape in one of the most bio-culturally diverse and significant regions in North America / Turtle Island. This first of its kind meeting will lead into the development of a high-level, transborder connectivity “road map” that identifies key opportunities, promising strategies, and potential actions to advance connectivity conservation and restoration across the region.

### Sponsorship Levels:

#### Presenting Sponsor: \$50,000
