

Managed Forests Field-Walk

Morrisville Town Forest — Saturday, September 1st 10am-2pm

Speaker: **Ray Toolan**

Where: Morrisville Town Forest

When: September 1st

County Forester

Morrisville

10am—2pm

Why do so many Vermont towns have town forests and how are they managed?

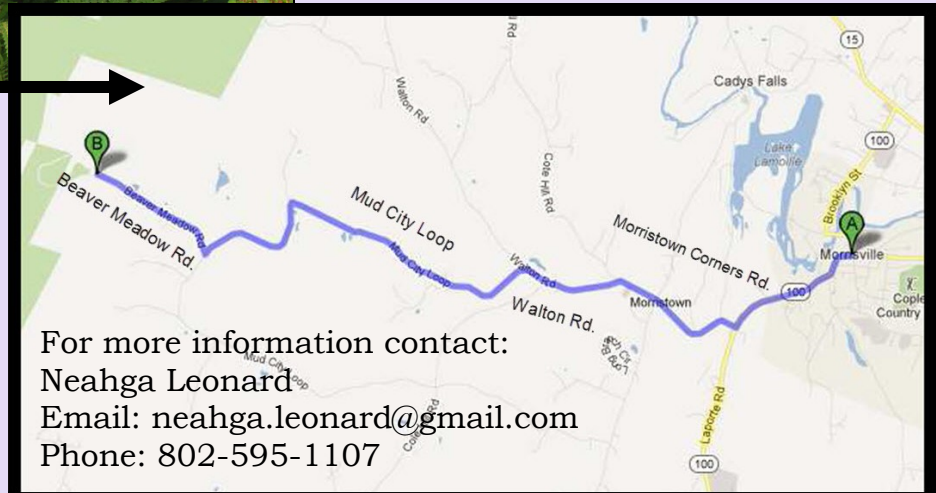

Join County Forester **Ray Toolan** and the Staying Connected Initiative for a walk in the Morrisville Town Forest to learn the answer to these and other questions. Learn how you can apply the lessons learned in town forests to your own property.

Directions & Map:

West on Morrystown Corners Rd. Continue West on Walton Rd., cross bridge and turn Left on Mud City Loop. Right at Beaver Meadows Rd (At large farm 0.3 miles after Bryan Pond Rd.—road sign is bent and obscured by vegetation). Park at end of Beaver Meadows Rd.

Total distance from Morrystown is @ 6 miles
