

Wildlife and Wildlife Management Walk

Steam Mill Brook WMA—Saturday, August 4th

Do you want to know how Vermont manages its land for wildlife, moose and deer in particular?

Would you like some pointers on how to manage your land for wildlife? Join state wildlife biologist and moose expert Cedric Alexander for a walk in the Steam Mill Brook WMA in Walden to find out more and have an opportunity to ask one of Vermont's foremost experts your questions.

Speaker: Cedric Alexander - State Wildlife Biologist

Where: Steam Mill Brook WMA, Walden

When: August 4th 10am—2pm

Directions: HWY 15, turn north on Noystar Rd, turn east on Rock Road, park at end of road
