

STAYING CONNECTED

**What do loggers and bobcats have in common?
Why would a Vermont black bear need a roadmap?**

**Join us and other residents of the Worcester Range and the
Northeast Highlands for a lively evening of discussion about the
future of people and wildlife in the region.**

**February 28th – 7 to 9 PM at the Burke Town Hall,
212 School Street, West Burke**

March 13th – 7 to 9 PM at the Worcester Town Hall, Worcester

GUEST SPEAKERS:

Tom Slayton, former *Vermont Life* editor and author of "An Enduring Place: Wildlife and People in the Worcester Range through the Northeast Highlands"

Jens Hilke, Wildlife Biologist with the Vermont Department of Fish & Wildlife

George Gay, National Wildlife Federation

Refreshments will be served. For more information contact:
